Annual Meeting 2025

The Missouri Society of Anesthesiologists is pleased to request your participation as an exhibitor partner in our **2025 Annual Meeting on Saturday, April 12, in Saint Louis, Missouri.** To ensure a high presence, we heavily market this conference and are proud to provide the opportunity for free to our members. MSA is excited to host this event at Le Méridien, a venue we've never used before.

We consider this an excellent opportunity for you to meet with anesthesiologists in person as well as demonstrate and display your products and services. MSA continues striving to improve the exhibitor experience through feedback and new ways to increase exposure to our physician anesthesiologists.

In this prospectus you will find way to connect to our members and learn about the experience you will have as an exhibitor at the annual meeting.

Please send any questions to **Kelley Nichols** at info@msahq.com. We look forward to your participation in what we are confident will be a successful MSA Annual Meeting.

Sincerely,

Todd Glenski, MD, MSHA, FASA

MSA President
