Target Audience

This activity is designed for anesthesiologists, fellows, residents, and medical students.

Objectives

At the end of this activity participants should be able to:

- Identify advocacy issues facing MSA members at both a state and national level.
- Formulate an anesthetic plan to the care of pediatric patients in the outpatient setting according to current and new research information.
- Describe a plan on how to educate patients and parents on how anesthesia can affect the developing brain.
- Formulate an anesthetic plan for patients in the outpatient setting utilizing more unconventional multimodal medications.
- Identify and discuss innovative technological advances in the practice of anesthesiology.

Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of American Society of Anesthesiologists and the Missouri Society of Anesthesiologists. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

2025 MSA Annual Meeting

The American Society of Anesthesiologists designates this live activity for a maximum of 4 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Ultrasound Workshop

The American Society of Anesthesiologists designates this live activity for a maximum of 1.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity contributes to the patient safety CME component of the American Board of Anesthesiology's (ABA) redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA for a list of requirements, <https://www.theaba.org/maintain-certification>. Maintenance of Certification in Anesthesiology® program and MOCA® are registered trademarks of The American Board of Anesthesiology®. MOCA 2.0® is a trademark of the American Board of Anesthesiology®.

Commercial Support Acknowledgement

The Missouri Society of Anesthesiologists has received in-kind (devices and equipment) commercial support from FUJIFILM Sonosite and GE HealthCare for the ultrasound workshop.

Disclaimer

The information provided at this activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

Disclosure Policy

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, mitigated. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists CME activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

Disclosures will be provided onsite

CME claim

All communication is sent to the email listed on your ASA account. If your email has changed, please log in and update it before the end of the meeting. Credit claiming emails will be sent 5-7 business days after the final registration list is received from the Missouri Society of Anesthesiologists (MSA). Attendees are responsible to provide all the information needed to process CME credit. This includes providing the correct ASAID number (7-digit number beginning with a 0 or 1).

If you do not have an ASA account, please create one for free at <https://www.asahq.org/member-center/create-account> and provide it to MSA.

Claiming CME Credit

It is highly recommended to claim credit within two weeks of receiving the credit claiming email.**

1. Complete the evaluation.
2. Click on the certificate, enter the credit you are claiming.
3. Print your certificate or save it as a PDF for your files.

**** Deadline to claim credit is December 31, 2025. You will NOT be able to claim credits after this date.**

Additional MSA 2025 event information including program details can be found on
